

Indoor Scavenger Hunt Riddles

Notes: Cut the clues into small strips and tape each one in its' respective place. Hand the participants the 1st clue, so that they can use it to find clue #2. For instance, after reading clue #1, they should go to the tub and find clue #2. After reading clue #2, they should go to the television to find clue #3, and so forth. To build excitement, place a small gift, prize, or treat in each location for the participants to find. This is a neat way to give Christmas and birthday gifts or to fill goodie bags at the end of a birthday party.
